

PROMOTE YOUR BUSINESS AT CARMEL HIGH'S NEW POOL!

Friends of Carmel Aquatics is dedicated to providing funding and support for the Carmel High aquatic facility improvements and upgrades, as well as building an endowment fund to assist in ongoing operation.

To support this effort FOCA is selling full color banners that will be placed at the Carmel High School Pool for the 2010 Swim Season.

With the best facility on the Peninsula, the Carmel High School Swim Team will be hosting 10 at home swim meets this season beginning in March and ending in the MTAL League Championships in May. Your business will be represented on a beautiful full color banner that would be seen by thousands of swimmers, families and members of the community throughout this season.

FOCA has secured a special pricing on high quality canvas full-color banners with grommetless hangers, they are hem tape reinforced, and spray-sealed.

This is your opportunity to promote your business locally and to support current and future generations of the Carmel Aquatic Community!

Your donation is 100% tax-deductible Tax ID # 56-2419934 - Email us for other promotional opportunities

Order Form
